MEDIA

We use your **email** address to send out the reminders about meetings and events as part of your membership. We try not to bombard you and only send one or two emails a month to everyone. (Obviously more if you are involved in projects and organising things.) You can unsubscribe at any time but you will miss out on information and updates if you do.

You can keep up to date by checking the website regularly, particularly near meetings, or following us on **Twitter**.

There is also a members' only **Facebook** group where we can chat and share photos.

Welcome to our WI, it's what you make of it!
